

Hywel & Jamie

Breakfast Show, Rock FM Preston
Sunday Evening, Key 103 Manchester

Hywel and Jamie are a couple of entertaining Northerners who've known each other since they were 11 years old. They got their first break in 2006 on Kerrang Radio and have since worked for XFM, QRadio, Rock FM, Key103 and BBC 6music.

A creative pair adept to the many different audiences they have entertained. Jamie with an encyclopedic knowledge of all things film, Hywel an ex-theatre director who is also the founder and managing director of the many-time Sony-Nominated community station for young people, KCC Live.

They're always looking for inventive ways to engage with their listeners, and have taken their shows to Scotland in search of the Loch Ness Monster, Norway in search of Santa and on their Arqiva Award-winning adventure to Las Vegas, where Jamie performed as a Lionel Richie tribute act.

They've also interviewed everyone from Terry Gilliam to Jonathon Ross, to Sir Richard Attenborough and (Sir) Peter Andre.

They currently present the Breakfast Show on 97.4 Rock FM across Lancashire and a Sunday evening show, from 7 till 10pm, on Key 103 across Manchester. Not to mention their very 'un-spun' podcast with tens of thousands of downloads per year.
